

Attention Customers

Pathfinder Bank will be undergoing renovations in our plaza lobby location to better serve your banking needs.

We anticipate the project will begin on **September 15th**.

There will be limited tellers available at this location.

We appreciate your patience during this process and remind you of our other two convenient Oswego locations; **Our Downtown Drive-Thru** on the corner of East First and Bridge streets, and our **Main Office Branch** on West First Street.

Thank you.
